DTSI Group Inc.

March 2013 Issue

Other ventures keeping the Manila Office busy are the recent works with Diversified Technology Solutions International Inc. also known as DTSI Group. With SL+A Manila and DTSI Group’s working relationship, the partnership churned out over 10,000 seats in BPOs (Business Processing Outsourcing) in the past year. As an expression of gratitude for the continuous projects, the office worked hand in hand with DTSI Group to develop its office. This is the first LEED-registered project for SL+A Manila, which is also housed in the only pre-certified LEED-CS Gold Level structure in the Philippines, The Zuellig Building.

DTSI Group intends to use the area as workspace and showroom as well. With client profiles ranging from laid-back offices to fast-paced BPO companies, the office adapts a flexible furniture layout reflecting various configurations. The Reception Area serves as guests’ lounge as well as huddle area for transient employees. Aside from the playful and interactive ambiance of the General Work Area, it also gives DTSI Group’s future clients an idea of possible furniture arrangements.

Location: 12th Floor, Zuellig Building, Makati Ave. Corner, Paseo de Roxas, Makati City
Type : Corporate
Area : 1,331 square meters

**Coca Cola
Bottlers
Company**

A corporate and support office, the latest Philippine Headquarters for Coca Cola, was built in partnership with DTSI Group again.

The new Coke office has a seating capacity of 1,000 and an area of 9,000 square

meters. The floors were divided to house the executives and support offices. The concept was to create a seamless environment within the corporation. A very open layout was utilized except for the top management areas. Meeting rooms and huddle areas were themed and named after each Coke product. The whole office is in a monochromatic black and white palette, colors were only applied on large wall murals depicting the Coke lifestyle. Over all, the whole interior gives off a creative and refreshing vibe providing its users a conducive working ambiance.

Location : 25th-28th Floors, Net Lima Building, 5th Avenue corner 26th Street, Bonifacio Global City
Type : Corporate
Area : approx. 9,000 square meters
